

1 How Part 2 Works كيف يعمل الجزء الثاني

- You get a cue card, paper and pencil.
- 1 minute to prepare, then speak for 1–2 minutes.
- The examiner stops you at 2 minutes — that's normal.
- Aim to keep talking until stopped.
- Marked on fluency, vocabulary, grammar and pronunciation.

3 The P.P.F. Method طريقة الماضي-الحاضر-المستقبل

1. PAST — set the scene: when, where, who. "I first came across it about three years ago..."
2. PRESENT — describe it now and why it matters. "These days, it plays a huge part in..."
3. FUTURE — plans, hopes, predictions. "If I ever get the chance, I'd love to..."
4. This naturally shows a range of tenses — a Band 7+ signal.

5 Natural Stalling Phrases عبارات لكسب الوقت

- "That's an interesting question — let me think..."
- "How can I put this..."
- "I've never really thought about it, but..."
- "What I mean is..." (to rephrase smoothly)
- Never: long silence, "umm" loops, or memorised speeches.

7 Golden Rules القواعد الذهبية

1. Speak for the full two minutes.
2. Tell a story — specific details beat general statements.
3. Show feelings: thrilled, relieved, a bit nervous.
4. Self-correct calmly; keep going.
5. Practise daily: record yourself with a timer.

2 The 1-Minute Note Method طريقة الملاحظات

- Split the paper into 4 boxes — one per cue-card point.
- Write keywords only, never full sentences.
- 2–3 words per box + one strong word or idiom.
- Circle one personal detail or story for each box.
- Glance down, then look at the examiner and speak.

4 Band 7+ Connectors روابط للدرجة +7

- "Looking back on it now..."
- "What really stood out to me was..."
- "Fast forward to today, and..."
- "The main reason it means so much to me is that..."
- "All in all, I'd say..."

6 Worked Example مثال تطبيقي
